NEW THREE-STORY BUILDING

To Be Erected on Market Street By John O'Keefe—Will Give That Thoroughfare a Better Appearance.

The Philip W. Wheeler property on West side of Market street, occupied by Mr. Wheeler's shoe shop, was sold yesterday to John O'Keefe of Market street who will immediately erect a three story brick building on the site.

Mr. O'Keefe already owns the next door building occupied by the Chinese laundry and the small alley next to the laundry, and will use all this ground which will give him a thirty-two foot front on which to build. The building will be the whole length of the frontage, three stories, brick and will be in the usual store style structure. The whole building will be rented by Mr. O'Keefe, the first floor to be used as a store, the second for offices and the third as a lodge room. The sale was made by Mr. I. M. Lane.

With the erection of the Ringgold temple next door, Market street will easily take on an appearance of up-to-dateness. Mr. O'Keefe should receive the thanks of the entire community for thus removing from one our principal thoroughfares these old shacks and eye sores.

The contract has not yet been let but work of tearing down the present one story frame houses will begin within a few days.
